NOMINATION CRITERIA

In general, the nomination criteria is broad and must be supported by a completed written nomination form as well as substantive, documented evidence supporting the accomplishments and contributions of the nominee.

Nominations for consideration for induction shall be accepted in the categories of Athletes, Builders, Teams and Historical Sports Venues as outlined as follows:

ATHLETES

To be considered for induction to the Midland Sports Hall of Fame, Athletes must have been outstanding in their field of endeavour and/or have achieved above average proficiency of sports if not reaching the absolute top level. The label "outstanding" must be applicable over an extended period of time in competition against peer athletes. This involves those competing on a strictly local level and those participating in District, Provincial, National, or International level in an amateur and/or professional setting. The rationale for an athlete's nomination must be clearly included in the nomination form and materials.

Athletes nominated must have been retired from active participation in sports for which he or she has been nominated for a period of not less than three (3) years, dated from the end of the season of the sport for which they have been nominated. The above restrictions do not apply in the case of Automatic selections as noted elsewhere.

BUILDERS

To be considered for induction to the Midland Sports Hall of Fame, Builders shall be, but not limited to, Officials, Sponsors, Executive members, Trainers, Coaches, Managers, etc. The work of the Builders shall be for their contributions to sports over an extended period of time that has been outstanding. It may be in the organization of leagues or teams, managing facilities, achieving a high degree of success in coaching teams and/or individuals, keeping a league or team active, providing services of a consistently high level over an extended period of time, etc. Builders include those who have contributed to Midland and areas sports at either the amateur and/or professional levels. Builders nominations shall be eligible at any time. There shall be no waiting period in this category and the person may still be active in the roles for which they are nominated.

TEAMS

Teams shall be considered on the merits and accomplishments of each team as a whole and not solely on the individual accomplishments. At least three (3) years must have elapsed from the teams most recent championship season before a team can be considered for induction. For a team to be inducted, it must have won a championship at the District, Provincial, National or International level either in an amateur and/or professional setting. The team would be recognized for attaining the highest level of accomplishment possible in that particular area.

HISTORICAL SPORTS VENUES

Venues will be considered for the historic and long- term use by athletes and teams over an extended period of time in the Midland and surrounding areas.

DECEASED NOMINEES

Shall be evaluated on their merits and not be subject to the three-year time period in any categories.

AUTOMATIC SELECTIONS

Shall be any Athlete, Builder or Team that has won an Olympic medal or who finished first, second or third in any Internationally recognized event or who has won a Canadian championship considered authentic by the Board.

DEFINITIONS

For the purpose of nominees for consideration in the Athlete and Builder categories, the person shall be anyone:

- born in Midland who spent their formative years in Midland;

Nominees shall also include anyone in the above categories who, after a local amateur sports career, moves onto professional, University/College sports or amateur sports elsewhere and who is deemed worthy of induction by the Board. It is recognized that notwithstanding the foregoing definitions and criteria, that special circumstances may arise wherein an Athlete, Builder and/or Team may be considered to be inducted forthwith into the Midland Sports Hall of Fame, subject to Board approval. Accordingly, notwithstanding the criteria herein before contained in the constitution, if the Board considers that an Athlete, Builder or Team due to special circumstances ought to be inducted forthwith, the Board in its sole and absolute discretion shall be entitled to approve such induction by majority vote at any meeting of the Board.

The Board may also choose to award a "**Special Recognition**" award in any category it chooses to do so.
